

Milwaukee Brewers Baseball Club LANDSCAPE INTERNSHIP

The Milwaukee Brewers have openings for Landscape Management Interns. Positions are available March through November 2012 with a 3-month minimum duration. Evening, weekends, and holiday hours may be required. Internships are paid, hourly positions.

Miller Park, opened in 2001, is a \$400-million stadium site. The 260 acres that make up Miller Park contains 30 acres of manicured grass and diverse landscape plantings. The 30 acres of landscape require detailed care and continual renovation projects.

Landscape Management Intern will be expected to demonstrate competency in the following duties: Plant Identification, Integrated Pest Management, Landscape Design, Irrigation Maintenance, Landscape Installation, Seasonal Landscape Maintenance, Application of Fertilizer and Herbicides. Landscape Management Interns will be expected to operate all equipment in accordance with safety standards. Interns will be given the opportunity to independently lead and supervise crew members. Additional educational opportunities will include maintenance of the Miller Park Field and Helfaer the little league facility.

Successful applicants should have a valid driver's license, excellent work ethic and should be enrolled in or recently graduated from a landscape management, ornamental horticulture or related college program. Priority deadline for applications is December 14th, 2011. Applications will be accepted until all positions are filled.

Interested candidates should send cover letter, resume and transcripts to:
